FEE SCHEDULE

Licenses, Permits, Miscellaneous Services

Adopted March 1987

Updated July 1, 2018

Introduction

In March 1987 the Brooklyn Center City Council approved an amendment to the City Ordinances that removed the fees for licenses and permits from the City Ordinances and established fees by Council resolution. The resolutions establishing fees for licenses and permits were collated into the following fee schedule, and it is updated whenever fees are amended or new fees are established. It provides a means by which fees for permits, licenses, and miscellaneous services are incorporated into one document to aid employees who need to collect fees or provide public information regarding fees. Fees for licenses and permits are set forth by Council resolution. Fees for copies, research projects, maps, and ordinances are generally set by the City Manager.

Fees relating to the Community Center and Centerbrook Golf Course can be obtained directly from the Department of Community Activities, Recreation, and Services and are not included in this fee schedule.

Fees relating to the Earle Brown Heritage Center can be obtained directly from the Heritage Center and are not included in this fee schedule.
